

HQ Spring Clean-up

Wednesday April 17th, 9am – Noon

(Rain date April 24th)

After a mild winter, an early spring and many meetings, HQ needs some help !

Many opportunities outside and in, please come and volunteer your time, remember it counts towards your Merit Mark, and Pizza and drinks will be provided at the end of the morning, and there will be fresh Krispy Kremes to start the morning.

Tasks include grounds clean-up, inside paint touch-up, hard floor cleaning, smoke detector battery and furnace filter changes, tidy up storage rooms, clean table tops in main room, clean bathrooms – in fact something for everyone!

If you want to claim one of these jobs, just let me know and it's yours

Bring work gloves and rakes if working outside – see you on the 17th
